DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on November 7, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants have failed to fully address all issues set forth within paragraph 3 of the Office action of August 28, 2006. Specifically, with respect to the rejection of claim 11, applicants have failed to clarify how the previous amendment to claim 11 relates to the polyisocyanate secondary product. It cannot be clearly determined if the polyisocyanate secondary product is governed by the claimed percentages. Furthermore, with respect to claim 16, applicants have failed to provide a definition for variable R. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication should be directed to R. Sergent at telephone number (571) 272-1079.

R. Sergent
